Your Quick Check Result

You have successfully completed the **EF SET Quick Check**. The Quick Check is designed to give you a general indication of your English proficiency.

Your result indicates that your level of English is somewhere between **C1 Advanced** and **C2 Proficient (95/100)** according to the Common European Framework of Reference, also known as the **CEFR**.

You understand with ease most written and spoken language, and you can recognize implicit meaning and nuances of expressions.

Get your official EF SET Certificate

Take our 50-minute test to get your personalized EF SET Certificate™. You can easily add your certificate URL to your LinkedIn profile or your CV to officially prove your English level.
